9. Start Procedure

The signal to depart the Grid is given by the Grid Marshall. A Driver will have one (1) lap to clear the grid. The one (1) lap will end once the peloton of Karts has passed the out-grid gate.

The Drivers will complete one (1) rolling lap, in which any weaving must not be excessive be done safely. After passing the Slow Down boards, the Driver on pole position must significantly slow down to enable all Drivers to form up. If a Driver is not in their Grid Position before they reach the Red Formation Line, they must stay where they are and not move up to face the Starter.

The Driver on pole position shall set the speed at which all Drivers shall approach the Starting area (which shall be no more than approximately 40-50% of race speed) in anticipation of the Start signal being given.

The start signal for all races is when the red light is turned off by the Starter.

Note: A green light WILL NOT be shown to indicate a start.

Your attention is drawn to the Starting Procedures that are marked in ***Competition Rules Chapter 1 Rule 22 d) and e)***

Should the Starter abort the start, Drivers will continue around the Race Track on another formation lap in preparation for a start.

Any Driver who is out of their designated grid position after they cross the start line may regain their allocated grid position only if this manoeuvre does not impede other Drivers and in all cases before having reached the Red Formation line.

10. Cut Through

The short-cut of the circuit is not being used at this Event during the Start Procedure.

11. Recalled Start

If the Starter decides that a Race Start should be recalled; the following procedure will be implemented:

- Flashing yellow lights/waved yellow flags will be displayed at all light/flag points around the Race Track.
- The Green with Yellow Chevron Flag will be displayed at the Starters Podium prior to the completion of the first lap by the Race Leader. This will be signal to all Drivers that the Race will be restarted.
- For Rolling Start Re-starts:
 - The *new formation lap will commence* the time you pass the start line with the Green and Yellow Chevron Flag displayed.
 - It is on this lap that you need to slow down and form up in preparation for a start. Competition Rules Chapter 1 Rules 22 d) (viii) to (xxi) will apply from this point forward.

12. Full Course Yellow

Your attention is drawn to Competition Rules Chapter 1 Rule 26 - Race Restart Procedure (Page 109 of the KA Manual) and in particular section d) which has changed for 2020. A diagram summarising the where the karts should be positioned on the restart can be found below.
